

NC TraCS Pilot Grant Program Match Commitments

Listed below are entities that have stated they will consider providing matching funds for TraCS pilot grants. Any school/department/center/institution or combination thereof may participate in providing matching funds. Before submitting a proposal, it is the applicant’s responsibility to secure a commitment from one or more of these entities to provide matching funds if the proposal is funded. Other entities within (and outside of) UNC may also be available to provide matching funds, and applicants are encouraged to be resourceful.
